

# APARTEMENT NEAR THE SEA AND TOWNS OF ART

GAVORRANO, Toscane, Italië

## Beschrijving vakantiehuis

Delightful apartment completely restored according Tuscan style, located in the historical charming medieval hamlet of Gavorrano. Gavorrano is placed on the top of a hill, few kilometres far from the Follonica gulf seaside and the beautiful beaches of Punta Ala and Castiglione della Pescaia. The place is very quiet and panoramic with a great view over the countryside to the sea where the sun set in a gorgeous sight. The landscape is the typical Tuscan one with vine-yards, olive grove, rows of cypresses and Mediterranean flora with its beautiful colours and scents.

## Indeling vakantiehuis

The apartment, recently fully restored, is really picturesque with attractive wooden- beam ceiling and antique terracotta floor maintaining the original features and the charm of the period when it was built. The apartment is placed at the ground floor of a characteristic two-storied building in a typical little street. You have a small kitchen, a living-room a double bed divan, one bedroom with a double bed and a bath with shower box.
